Road Links

Sheffield is easily accessible by road, being just off the M1's junction 33. After leaving the motorway at exit 33 you should follow the Sheffield City Centre A630 (A57) signs until the dual carriageway ends at a large roundabout with traffic signals (Park Square).

Take the third exit from the roundabout signposted A61-Chesterfield which is Sheaf Street. The walkway entrance to the Eric Mensforth Building is on the right just before the Railway Station on the left.

Please see above for location of car parks. Disabled visitors are advised to phone before visiting so suitable parking can be arranged.

Rail Links

Regular inter-city services operate between Sheffield and other main line towns and cities. Sheffield Midland Station is just a two minute walk across the road from The Training Foundry.

Walking

From Sheaf Street - walk up the ramp and through the Sheffield Hallam University steel gates. Continue walking forward and up the stairs in-front of you or take the small lift. Turn to the right and around the lift shaft and our entrance will be in front of you.

From the Sheffield Transport Interchange – walk along Pond Street with the bus station on your left hand side, cross over Harmer Lane and continue to walk along, as you pass under a walkway you will see some steps on your left hand side, continue up the second flight of steps and The Training Foundry is on your right hand side.

From Howard Street – at the bottom of Howard Street bear left and walk along Pond Street towards the Sheffield Transport Interchange. Continue to walk towards a walkway over the road. Just before the walkway on your right hand side you will see some steps, continue up the second flight of steps and The Training Foundry is on your right hand side.
