AMHP Student Practice Learning Evaluation Process

Final Week of placement – Course Leader email sent to student inviting them to evaluate their practice learning experience

Course Leader reviews all evaluations and provides
i) feedback on positive evaluations to placement providers and
ii) a written response where a low score or adverse comment has been made

Course Leader makes appropriate arrangements to follow up any issues raised with individual students

Inappropriate use of evaluation process by student is referred to CMT for action

Course Leader refers issues to Placement Tutor / Practice Learning Placement Manager to agree Action Plan(s) with Placement Provider/Practice Educator to develop good practice and/or address any issues attracting a low score or adverse comment.

Placement Tutor / Practice Learning Placement Manager and Placement Provider review Action Plan at agreed review date and update/sign off

Review of Student evaluations and Action Plans is reported to Director of Placement Learning in Placement Lead’s annual report

Information from student evaluations is shared with the Course Management Team to inform
- curriculum development
- student preparation for practice learning
- practice educator training and updates

Placement Audit Reviewed and updated if required

Auditors review Action Plans and outcomes during Educational Audit and updated/signed off
